Note: This study does NOT pretend to be exhaustive, in this presentation. Nor does it intend to be fully complete in it's ideas, or content; including pictures, maps, charts, etc.

Perhaps, someone will pick this volume up and add to it, embellish it in any number of ways; and even make it much more imaginative, interesting, and presentable, than is here found !

Sincerely,

Robert Raymond Green, M.D. 8-10-2000 rrg
